

# THANT ZIN OO

ASPIRING MOBILE APP DEVELOPMENT INTERN

## CAREER OBJECTIVE / SUMMARY FOR INTERNSHIP

2024-Current

Studies

Web Engineer Course at Page Myanmar in MYANMAR.

An enthusiastic and dedicated student currently pursuing Mobile App Development (Module-2 & 3: React Native JS, Python, Java OOP), seeking a challenging Internship position to apply and expand hands-on technical skills in a professional environment.

Successfully completed the Web Engineer Course Module-1 and On-Job Training (OJT) with an outstanding A Grade, mastering core web technologies including PHP, MySQL, HTML5, and CSS3. Ready to contribute strong problem-solving skills, academic discipline, and a quick learning ability to a Mobile App Development team.
